Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs

Please keep this notice - it is part of Mercy Care Advantage's Evidence of Coverage.

Our records show that you qualify for extra help paying for your prescription drug coverage. This means that you will get help paying your monthly premium, yearly deductible, and prescription drug co-payments.

As a member of our Plan, you will receive the same coverage as someone who is not getting extra help. Your membership in our Plan will not be affected by the extra help. This also means that you must follow all the rules and procedures in the Evidence of Coverage.

Please see the chart below for a description of your prescription drug coverage:

Your monthly plan premium is	Your yearly deductible is	Your co-payment amount for generic drugs is no more than	Your co-payment amount for all other drugs is no more than
\$0*	\$0	[\$0, \$1.10, or \$2.50] (each prescription)	[\$0, \$3.30, or \$6.30], (each prescription)

* The monthly plan premium does not include the Medicare Part B premium, but the State will pay the Medicare Part B premium as long as you maintain AHCCCS eligibility.

Once the amount both you **and** Medicare pay (as the extra help) reaches \$4,550 in a year, your co-payment amount(s) will go down to \$0 per prescription.

The changes to your prescription drug costs begin as of the effective date at the top of this letter. This date may have already passed when you get this letter. If you have filled prescriptions since this date, you may have been charged less than you should have paid as a member of our plan.

Medicare or Social Security will periodically review your eligibility to make sure that you still qualify for extra help with your Medicare prescription drug plan costs. Your eligibility for extra help might change if there is a change in your income or resources, if you get married or become single, or you lose Medicaid.
